

Management Service

# CERTIFICATE

Certificate Registration No.: 12 106 3121 TMS / Order No.: 70015511

The certification body  
of TÜV SÜD Management Service GmbH

certifies that the organization

**Kraftanlagen Energies & Services SE**  
Ridlerstr. 31 c, 80339 Munich, Germany

for the scope

**Planning, development, manufacturing, installation and  
maintenance of plants and plant components for**

- Building technology
- Fire protection systems
- Industry
- Energy
- Underground piping systems
- Fabrication and welding technology
- Checking of low and medium voltage electrical installations
- Execution of internal electrical installations for civil and industrial buildings,  
aerial and/or underground connections at the nominal voltage of 0.4 kV
- Execution automation, commanding and control installations,  
earthing and lightning rod connections
- Execution of electric lines, aerial and/or ground, with rated voltage of 0,4-20 kV  
and transformer substation high rated voltage of up to 20 kV

including the sites see enclosure

established a management system for occupational safety, health and environmental  
protection in accordance with the standard

**SCC<sup>P</sup> uneingeschränktes Zertifikat für die Petrochemie,**

which complies with the certification program  
"Safety Certificat Contractors - SCC-VAZ 2021".

The certificate is valid from **2024-06-07** until **2027-06-06**.

Validation of the standard SCC<sup>P</sup> also ensures validation of the standard SCC\* / SCC\*\*.
